

Introducing PAUL

Winter Semester, April 2026

Rainer Feldmann
PAUL Coordinator

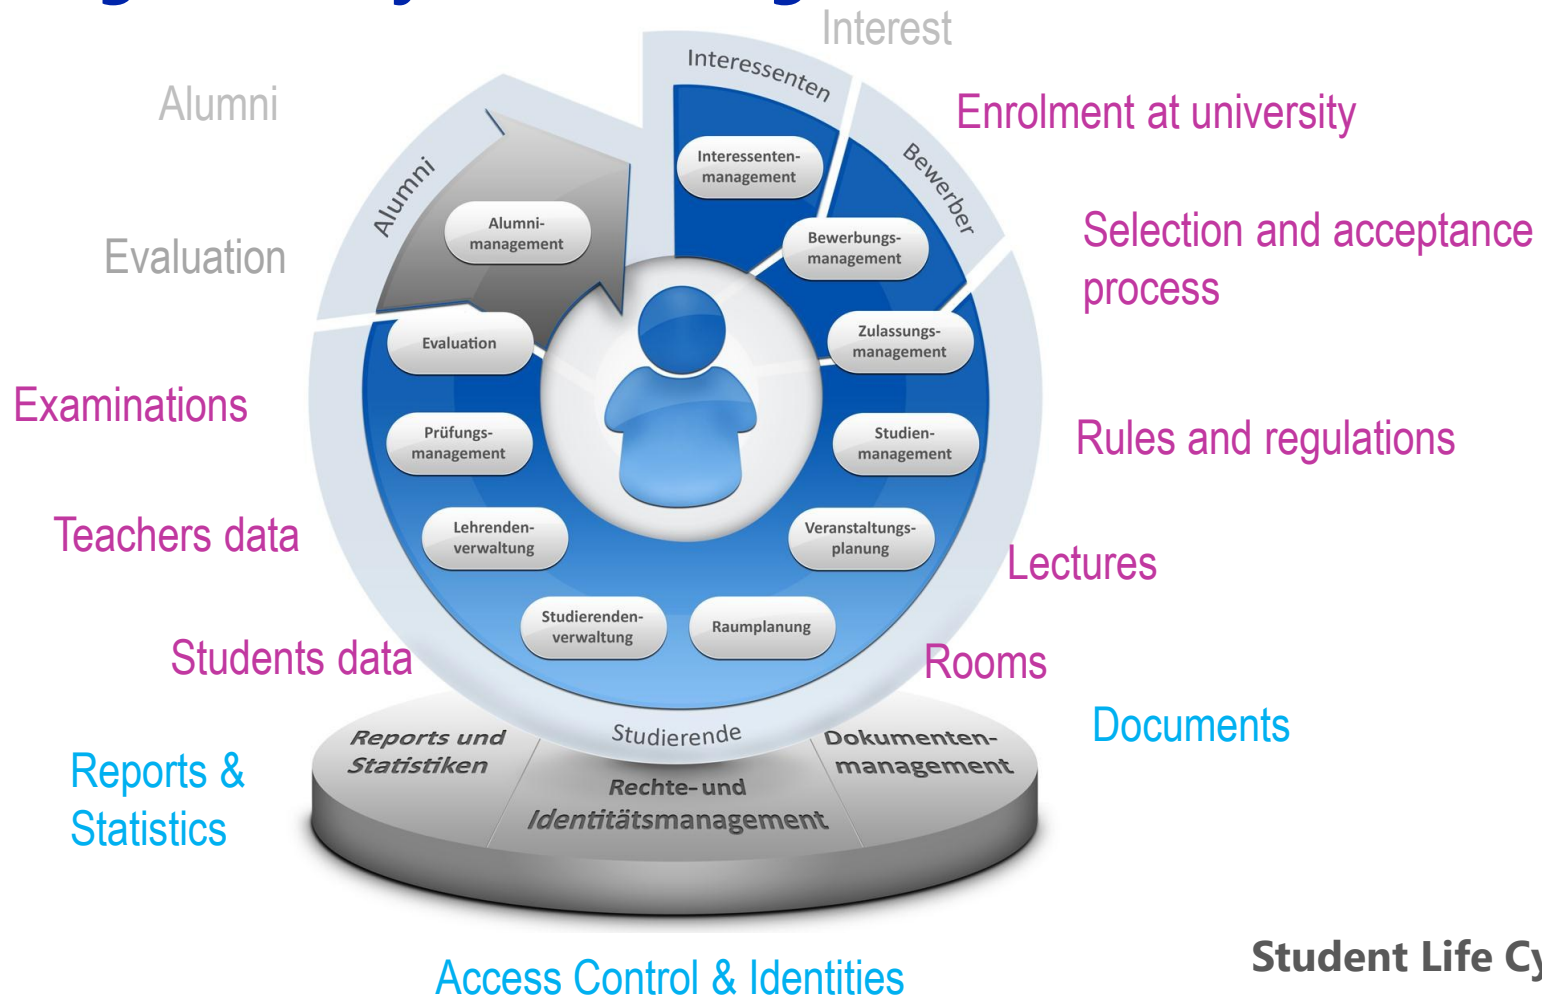

Agenda

- **Campus Management**
 - **What is PAUL ?**
 - **How to access PAUL**
 - **Registration time periods**

 - **Support – PAUL at your service**
- **Demo:**
 - **Registration for modules**
 - **Registration for exams**
 - **Forwarding PAUL system messages to your email**
 - **Topics for Electrical Engineering students**

Campus Management Systems: Integrated Software

What is PAUL ?

- **Integrated system to manage many issues of the university**
- **Central database**
- **Rich client front end for administrative tasks** (You will not see that)
- **Web client front end for students and teachers** (System demo later)

What is PAUL good for ?

- Achieve one centralised platform for organisation, information and activities related to all matters of your studies
- **Improve service for students**
 - **Online registration: avoid queuing**
 - **Online access to learning material, news, calendar, results of exams...**
- **Improve service for lecturers and administrative staff**
 - **Supports administrative processes : efficiency**
 - **Supports planning processes : lectures, rooms, time tables, ...**
 - **Possibility of direct communication between lecturers and students via messaging components** (PAUL system messages)

PAUL – The One Central Web Portal for Students

- You can reach the website at: <https://paul.uni-paderborn.de>

The screenshot shows the PAUL web portal interface. At the top left is the University of Paderborn logo and the PAUL logo. At the top right are navigation links: 'Anmelden' with a right arrow icon, 'Sprache' with a globe icon and 'Deutsch' with a dropdown arrow, and 'Menü' with a hamburger menu icon. The main content area is divided into three sections, each highlighted with a blue-bordered box:

- Studium und Lehre**: Melden Sie sich unten mit Ihrem Uni-Account an. → Anmelden
- Bewerbung und Einschreibung**: Hier können Sie sich einen PAUL-Account erstellen, Bewerbungen verwalten, Ihren Immatrikulationsantrag stellen oder eine Gasthörerschaft beantragen. → Zum Bewerbungsportal. Sie haben bereits einen PAUL-Account? → Anmelden
- PAUL-Informationen**: → Aktuelle Informationen zu PAUL, → Fristen und Termine

At the bottom, a 'Wichtige Hinweise:' section contains the text: 'Anmeldung zu Lehrveranstaltungen/Modulprüfungen: Die Lehrveranstaltungsanmeldung ist nur möglich, wenn die Immatrikulation bzw. die Rückmeldung zum jeweiligen Semester bereits erfolgte. Der Status der Rückmeldung ist zu sehen unter "Meine Daten" > "Persönliche Daten" > "Semesterstatus".'

After the log-in you may change to the English version

Attention: to log in you need an ZIM account and password!

ZIM Account and Password

- You can register for the ZIM account at

- <https://serviceportal.uni-paderborn.de/en/new> (using a TAN)

- or in Notebook-Café in room H1.201 *

* Service hours see: <https://imt.uni-paderborn.de/en/nbc>

- see also <https://imt.uni-paderborn.de/en/uni-account>

IMT Account and Password

- If you have questions regarding your IMT account:

- send Email to imt@uni-paderborn.de
- or call phone hotline: **+49 (0) 5251 60 5544 ***

* Service hours see: <https://imt.uni-paderborn.de/en/nbc>

Registration Time Periods

- The most important time frames for your registration to courses or exams of the summer term 2026:
 - Apr 1st till Apr 31st (registration for modules/courses)
 - Apr 22nd till May 27th (registration for exams)
- (<https://www.uni-paderborn.de/en/studies/paul-information-sites/deadlines-and-dates>)
- Contact your teamer/supervisor for further information about exam registration procedures within the institute (and within other faculties in case you have a minor subject)
- Detailed information about the registration procedures at <https://paul.uni-paderborn.de/> (Button “Help” within the PAUL menu)

Support – PAUL at Your Service

- **Problems with PAUL ?** Please use the following support channels

- Central support Email: paul@uni-paderborn.de

- give your name, matriculation number, phone number, study program, module, course or exam number, problem, etc.

- PAUL office for Electrical Engineering (L.048. ... / M.048. ... only) :

<https://ei.uni-paderborn.de/studium/studienorganisation/paul-buero-eim-e>

Support – PAUL at Your Service

- Further information about PAUL are online at

- Button „Help“ within the PAUL menue

- Youtube – Videos at

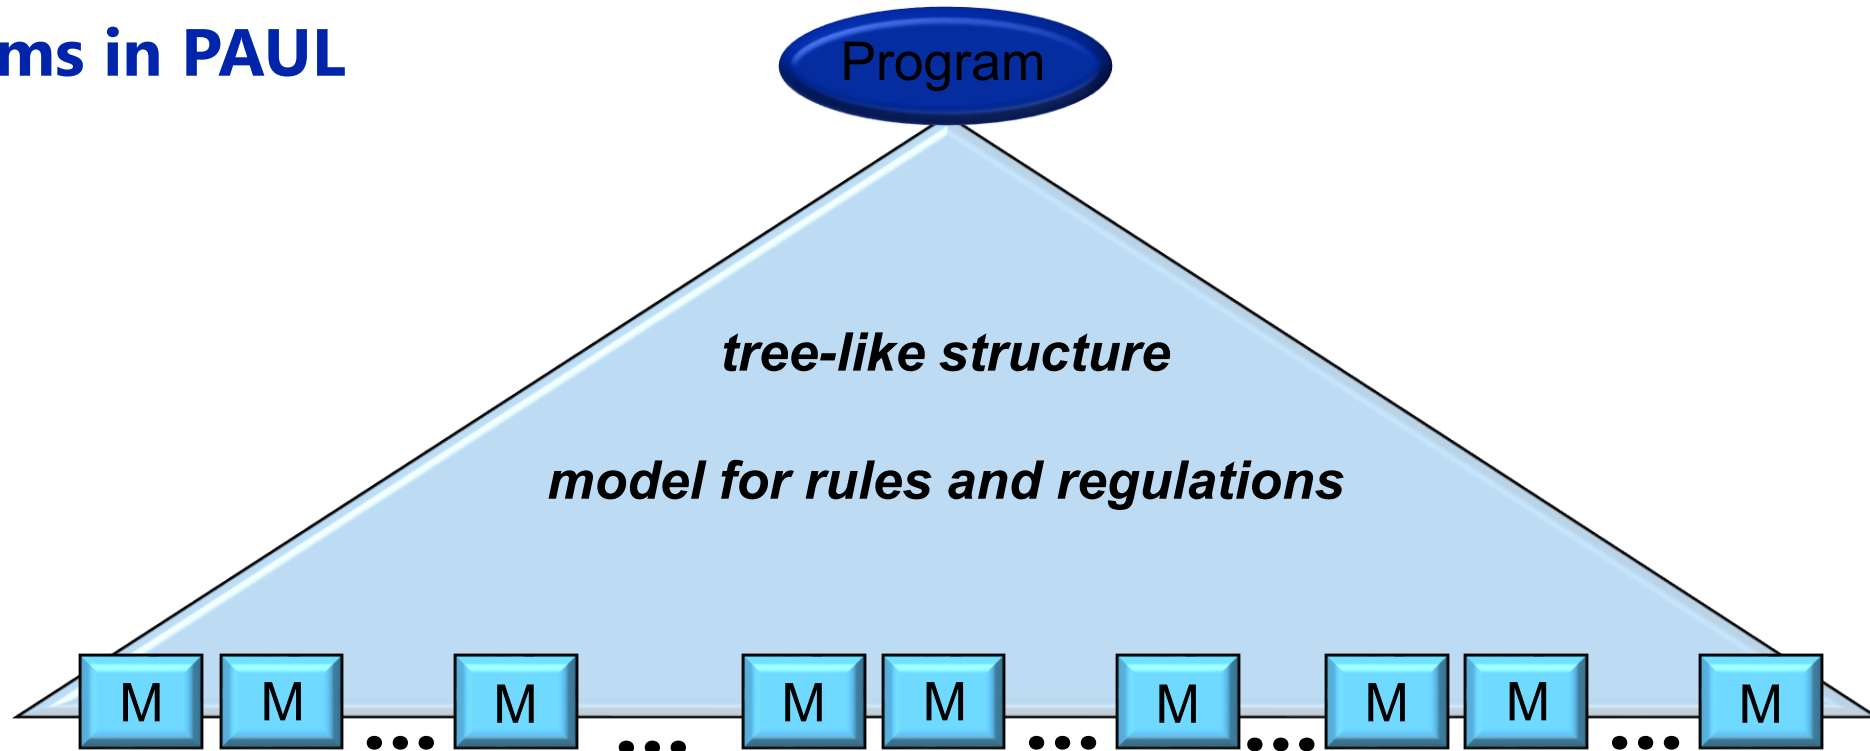

- https://youtube.com/playlist?list=PLgDIYPioG-BBd9UzwG_t4OdV0of9JMLqU

Note: Videos show obsolete web design !

But may be appropriate to show you the fundamental processes using PAUL

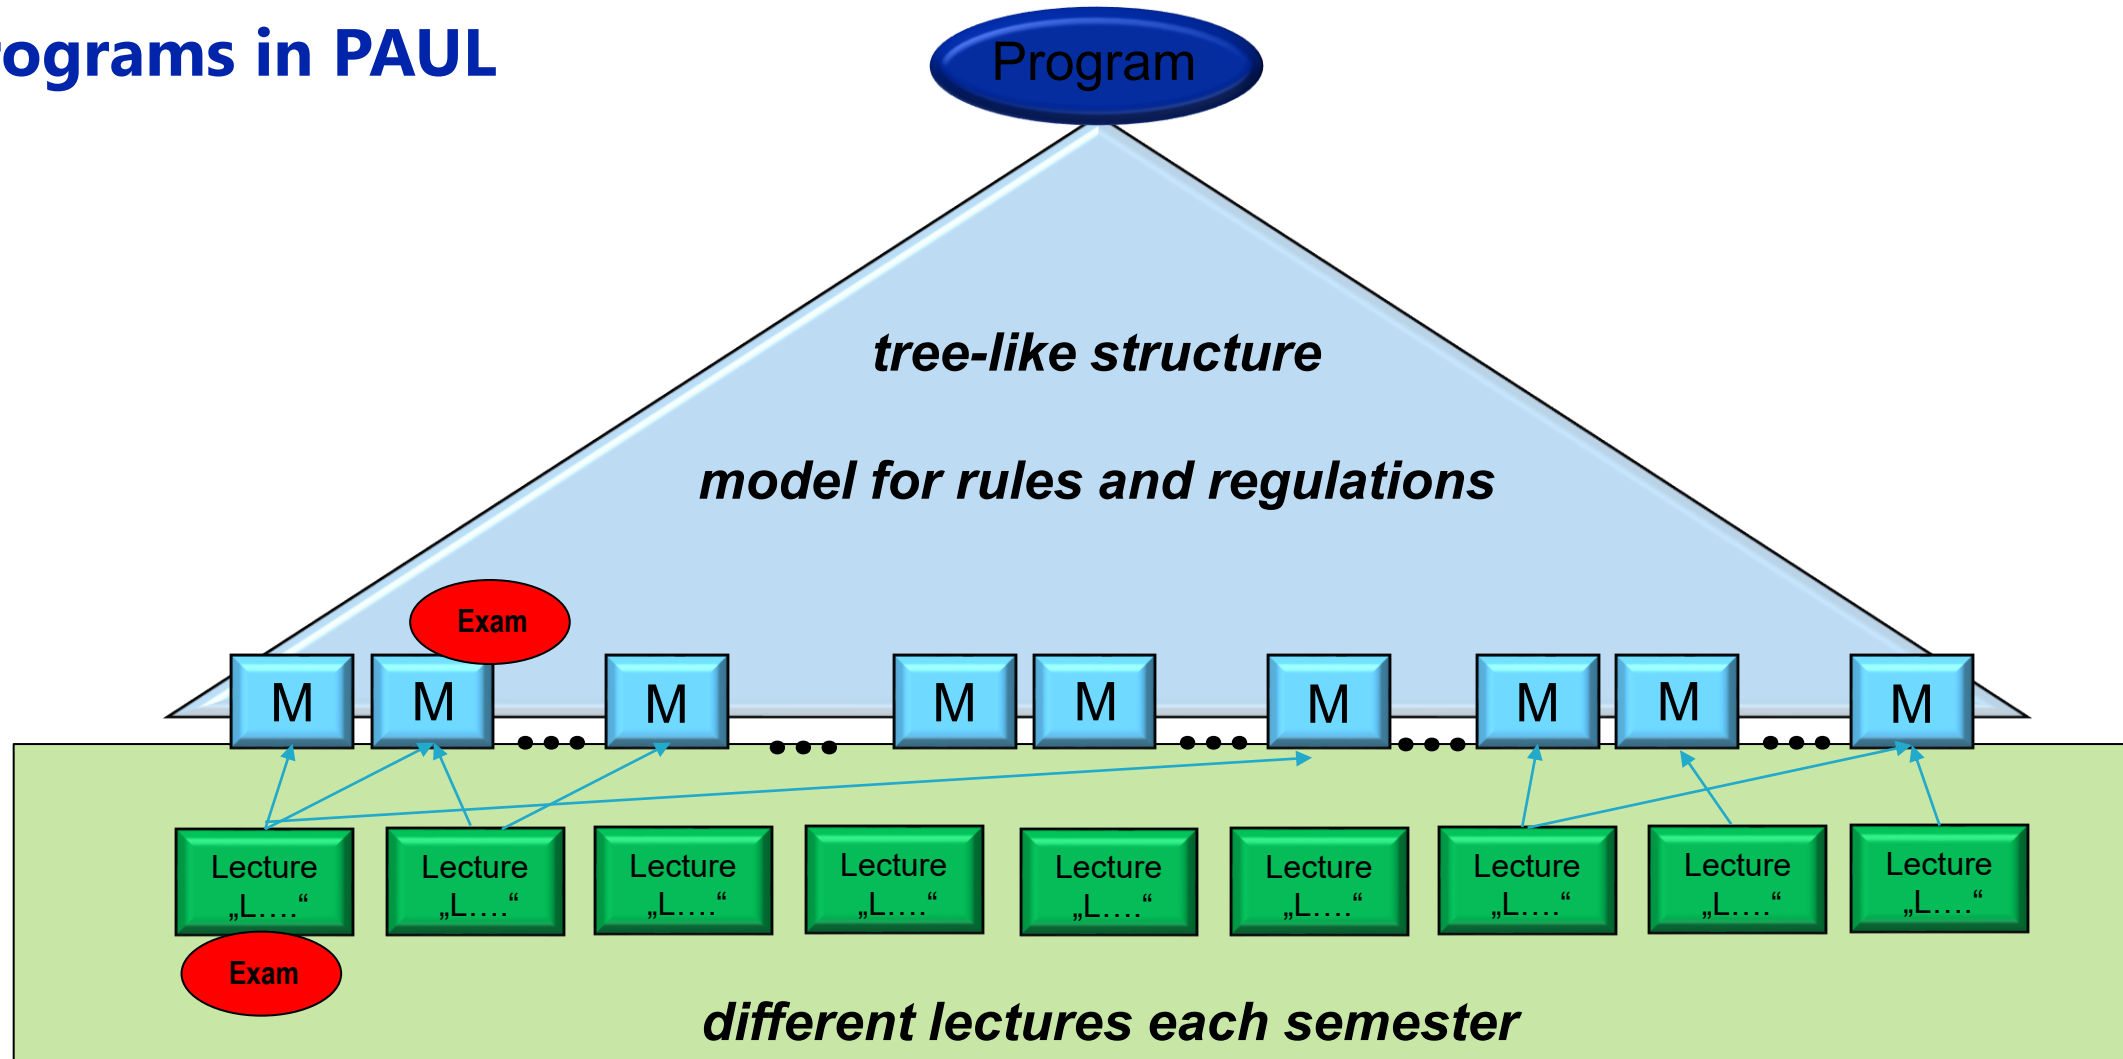

Programs in PAUL

Programs in PAUL

Support – PAUL at Your Service

- Something went wrong ? Corrections can be made by
 - ... **yourself**, as long as the online registration phases are running
 - ... the **course manager of your institute**,
as long as no exam registrations have been made in the wrong context
 - ... the **central examination office**
- It may sound complicated. But remember: If something goes wrong ...
 - Central support Email: paul@uni-paderborn.de

System Demo

- Student : testeimi (computer science master)
 - Registration for modules / lectures
 - Forward PAUL system messages to your university email account
- Student : testeime (electrical system engineering)
 - ESE Master and CE Master: Important Points
- Slides of this talk + Screenshots of System Demo:
<https://www.eim.uni-paderborn.de/fakultaet/studienangebot/welcome-days>

General Advice for ESE and CE

- Register for Modules and Exams during the **Registration phase** to avoid problems later.
- During Exam & Project registration, register for both the **Exam and Study Achievement**.
- Read **Module Handbooks** – They're your guide for your studies. They are published at the start of each semester (September and March).
- Talk to your professors if you have any subject-related questions. Don't fear them. In case you want to know if the subject will be held for further semesters, please ask the professors directly.
- In case you of problems, please write to the **Student Advisory Service ET** or visit them during the office hours.

**Thank you very much for your attention
and have a marvellous time in Paderborn!**

Feel free to ask questions now
