

Welcome from the student council of Electrical Engineering

O-Phase SS 2026

The Student Council

What is the Student Council?

- All students of electrical engineering
- Representation of the students
- Recreational space **(P1. 5. 16.1)**
- FSET.upb.de Insta: @fset_upb

Our services

- Collecting old exams
- Planning the examination phase
- Representation on committees
- Providing information about your studies
- Organisation of events
- Providing snacks and drinks

E-Labor

- Practical experience during your studies
- Diagnosis & repair of defective devices
- Advice & help with your own projects
- 3D-Printing
- Collective orders from Reichelt & Co

E-Labor P1.5.16.2

Study tips

- Don't despair if it's difficult to get started
- Form study groups
- Use face-to-face events
- Take advantage of offers of help (Support-nET)

Culture Fellow for Electrical Engineering

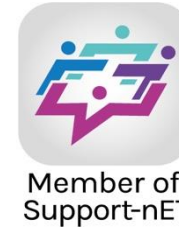

A Culture Fellow is your first-stop student helper for navigating study challenges offering guidance, clarity, and support in finding solutions.

Contact a **Culture Fellow** if you:

- ✓ Struggle to start your studies
- ✓ Feel unclear about teachers' expectations
- ✓ Can't pinpoint what's bothering you and where
- ✓ Feel uncomfortable but don't know why
- ✓ Face difficulties but aren't sure who to ask

I'll help analyze the issue and connect you to the right support!

You can reach out to me via the Email address or during the office hours
