Introducing PAUL

Summer Semester, April, 2020

Rainer Feldmann
PAUL Coordinator
Agenda

- What is PAUL?
- How to access PAUL
- Registration time periods
- Support – PAUL at your service

Demo:
- Registration for modules/lectures
- Registration for exams
- Forward PAUL system messages to your email
Campus Management Systems: integrated Software

Management of ...
- Alumni
- Evaluation
- Examinations
- Teachers data
- Students data
- Reports & Statistics
- Lectures
- Rooms
- Documents
- Access Control & Identities

Interest
- Enrolment at university
- Selection and acceptance process
- Rules and regulations

Alles online auf einer Plattform
What is PAUL?

- Integrated system to manage many issues of the university
- Central database
- Rich client front end for administrative tasks (You will not see that)
- Web client front end for students and teachers (System demo later)
What is PAUL good for?

- Achieve one centralised platform for organisation, information and activities related to all matters of your studies

- Improve service for students
  - Online registration: avoid queuing
  - Online access to learning material, news, calendar, results of examinations…

- Improve service for lecturers and administrative staff
  - Supports administrative processes: efficiency
  - Supports planning processes: lectures, rooms, time tables, …
  - Possibility of direct communication between lecturers and students via messaging components (PAUL system messages)
You can reach the website at:

https://paul.uni-paderborn.de

After the log-in you can change to the English version

Attention: to log in you need an IMT account and password!
You can register for the IMT account at:

- https://serviceportal.uni-paderborn.de/web/portal/new
- or in Notebook-Café in room I0.401
  (which may re-open after the Corona virus crisis!)

see also

https://hilfe.uni-paderborn.de/Erstellung_eines_Uni-Accounts_(Studierende)
IMT Account and Password

If you have questions regarding your IMT account:

- send Email to imt@uni-paderborn.de
- or call phone hotline + 49 (0) 5251 . 60 . 5544 *

* Service hours: (see http://imt.uni-paderborn.de/nbc/wo-ihr-uns-findet/)

Monday till Thursday  8:30 am to 3:30 pm
Registration Time Periods

the most important time frames for your registrations to courses or exams of the summer term 2019/20:

- March 30\textsuperscript{th} till April 24\textsuperscript{th} (registration for modules/courses)
- April 20\textsuperscript{th} till May 20\textsuperscript{th} (registration for exams)

(see https://www.uni-paderborn.de/studium/paul-info/fristen-und-termine)

Contact your teamer/supervisor for further information about exam registration procedures within the CS institute
(and within other faculties in case you have a minor subject)

Detailed information about the registration procedures at

https://paul.uni-paderborn.de/ (Button “Help”)
Problems with PAUL? Please use the following support channel:

Central support E-Mail: paul@uni-paderborn.de

give your name, matriculation number, phone number, module, course or exam number, problem, etc.
Further information about PAUL are online at

- http://www.uni-paderborn.de/studium/paul-info/

- Button “Help” within PAUL at
  https://paul.uni-paderborn.de

different in every semester

Alles online auf einer Plattform
Registration for Lectures with Courses

Choose an appropriate set of modules and register

Courses are chosen implicitly with registration to lectures

Choose one lecture per course and register.
(in most cases there is a unique one)

The path from the root node to the module/lecture is denoted context of the registration

Alles online auf einer Plattform
Lecture exam or module exam

red paths: context of the exam = context of the module/lecture (!)
Something went wrong? Corrections can be made by

- ... yourself, as long as the online registration phases are running
- ... the course manager of your institute, as long as no exam registrations have been made in the wrong context
- ... the central examination office

It may sound complicated.

But remember: If something goes wrong ....

Central support E-Mail: paul@uni-paderborn.de
System: Demo [https://paul.uni-paderborn.de](https://paul.uni-paderborn.de)

Registration for a module

The screenshot shows a module registration page with the following details:

- **No.:** M.079.4014
- **Name:** Clustering Algorithms
- **Studies:** Informatik Master V3

The registration has been successful. There is an option to go back to registration.
